DO YOU STRUGGLE WITH SALES?

You're not alone!

Most people, even professional sales people, feel uncomfortable, nervous, frustrated, even self-conscious when trying to "sell."

And these self-limiting emotions impact your results. But, there is a solution. Sales is not an innate talent. Rather it's a skill that can be developed and improved. Learn to follow a proven sales process that combines no-nonsense techniques with the appropriate behavior and attitude, and you'll start to achieve greater success with less stress, more confidence, and greater enjoyment.

Ready to get started?

Sandler Training Gloucestershire is awarding 2 (two) Sandler Training scholarships.

Each scholarship includes:

- 1 Year Membership in Sandler's Sales Mastery course (100+ hours of training and coaching)
- Access to specialised workshops and 1000's of hours of audio and video training on Sandler Online

Two members of the **Cirencester Chamber of Commerce** will receive one scholarship each.
